One of the finest musical events of the season is promised for this Friday evening at the Women's Clubhouse, when the Pokrovsky Institute, Inc., will present a number of its musicians in a complimentary recital. Four young pianists, Esther Campbell, Rena Mellus, Estelle Reuland and Lucile Songer, are to be heard, and also the Pokrovsky String Trio. This will be the first time that this organization has been heard in any town aside from the metropolitan centers. The Pokrovsky Institute has its own booking agency, securing concert engagements for their talent. At present the Pokrovsky String Trio is being featured in a tour throughout the west. Mrs. H. M. Gerhass deserves much credit for securing these artists for our city.

Bowling Notes

Sidelights on This Week's Games

Next Monday will witness the opening, at the American Club, of what promises to be the most successful winter bowling league in the history of the alleys. Eight teams of even strength have been organized for the Torrance City League and six or more teams will be represented in the Union Tool Co. league. Keen rivalry is anticipated. Also there will be two Torrance teams in the Commercial League of Southern California.

Ten teams in the Wilmington league have made application for use of the American as home alleys and every effort is being made to accommodate them. Thus it will be seen that the American Club will present a scene of unusual activity in the coming winter months.

World series baseball results will be received by radio for the accommodation and convenience of all baseball fans.

Torrance High Eleven Meets Lomita Friday

Locals Show Prowess by Besting San Pedro Lightweights in Practice

Torrance High School's football team will open its schedule in the Marine League tomorrow afternoon when the Narbonne High eleven from Lomita will play here.

Lomita and Torrance have always been rivals at football, and a spirited game is anticipated. Three home games will be played by Torrance High this season. They are counted as the best games on the local schedule, being with Lomita, Wilmington, and Gardena.

The Torrance lads demonstrated their prowess last Friday in a practice tilt with the San Pedro lightweights. The contest was merely a scrimmage, one side running the ball for four downs and then going on the defensive for four downs.

Tom Jones at quarter, Francis Buckman at half, and John Fiesel at end distinguished themselves. Torrance made two touchdowns, while the San Pedro eleven failed to cross the goal line.

Season tickets for Torrance High's three games are now on sale at \$1 each.

TOWNE ALKE "Just for Fun" By RAS BERRY

Dog Hoag he put a bunch of gold that he laid into one of my rear teeth and when he polished it off in my mouth I felt like a placer mine.

I bet if anybody had assayed me right then I would of run about \$100 to the ton.

Doo says I should ought to go and make a speech now so as that golden words would drop from my lips. And I tells him that silence is golden.

And speaking of speeches they seems to be a lot of trouble about who is gonna make the financial report at the Women's Club meeting. W. Post he is president of the Women's Club and he has been asked to make the financial address and he is trying to pass the buck to me.

I am willing to leave it up to a vote of all and sundry as to who is better for a financial speech, a banker or a editor.

W. Post he says the best financial speech he ever makes is No.

And the bus mgr. he says that ain't true but that the best financial speech any banker makes is Here's your cancelled note.

Well maybe the bus mgr. is right only it has been a long time since I personally have heard a banker make that kind of a speech.

I told W. Post that he should ought to make the speech because he would increase the interest of the club members and Sam Levy said if W. Post was gonna do that why he was gonna make his wife resign as a member of the club.

Warren Johnson and Geo. Neill has decided to form a new organization with an object of discouraging people from going to work. But I don't think they will get very far because it would take some work to start the organization.

Warren is inclined to deny all allegations that he ain't a workin' man as he says he is busy all day holding up the south wall of the 1st Nat'l bank and stealin' the headlines off the pop-corn man's papers.

George says he is a worker too and that sometimes he goes home at night all tired out from shakin' hands.

For the information of The Bat the book-keeper relays the intelligence that they is erecting a Biltmore at Santa Barbara.

Just as though they don't shake you down enough at the one in Los Angeles.

This seems like a good place to stop.

Parent-Teacher Body Holds First Meeting of Year

Auditorium Is Crowded as Mothers and Instructors Gather Tuesday

The Torrance Parent-Teacher Association held its first meeting of the year in the auditorium of the elementary school Tuesday afternoon.

The beautiful new auditorium was nearly filled with mothers, many of them being from the newly annexed territory.

The stage was decorated with bouquets of beautiful dahlias, the gifts of patrons of the school.

The executive board was seated on the stage, and after the singing of the P.-T.A. song and "Old Black Joe," the salute to the flag and the reading of the minutes, each member of the board introduced herself, telling her name, office, and number of children in the school. All mothers and teachers were asked to tell who they were, the teachers giving their grades, and the mothers the number of children they have in school.

W. M. Bell Jr., principal of the elementary school, introduced himself, saying there were 220 children in school.

Program Enjoyed

A delightful program was given. Mrs. Helen Berry's class demonstrated a reading lesson, in which a new method of teaching was shown.

Miss Mabel Ella Brown's room sang "America." Herman Hadler, accompanied upon the piano by Miss Lyle Louise Soddy gave a violin duet, "Dancing Dolls." Mrs. George P. Shidler, recently appointed president in place of Mrs. William E. Laven, resigned, was in the chair.

Reports on the Federation meeting, press conference and presidents' council were given by Mrs. Phoebe Milburn, press chairman, who announced that Mr. Bell's invitation for the Section D mass meeting to be held Oct. 22 had been accepted.

Safe Protection

Mrs. Fred Hansen, safety chairman, reported that she had conferred with the chief of police in regard to stationing an officer at the Carson street crossing near the high school.

A discussion was held regarding the nature of the pictures shown at the Torrance Theatre and the issuing of passes to children for the Sunday afternoon shows. A committee will be appointed to meet with the manager of the theatre to see if a closer relationship between the association and the theatre cannot be formed.

Mr. Post welcomed the mothers who had children in school for the first time, and also those from the newly annexed district, and invited them to take part in the activities of the association.

Mrs. G. H. Tiffany, membership chairman, who succeeds Mrs. J. R. Sach, resigned, was busy after the meeting signing up new members.

Delicious punch and cake were served by the executive board after the business session, and a delightful social hour followed.

Mrs. Charles Risley of Los Angeles spent Wednesday with her mother, Mrs. Nettie Steinhilber, of Post avenue.

Mr. and Mrs. W. W. Woodington, Mrs. Montgomery, Mrs. Kines and Claude Montgomery visited friends in Glendale Sunday.

Mrs. James E. Hoy of Long Beach was a guest this week of her daughter, Mrs. A. W. Woodington, of Arlington avenue.
